

Cost Comparison Worksheet

This document is to help students compare the cost of attendance at two different study abroad programs, as well as compare the cost of these programs against the cost of attending VCU. This resource can also help students identify necessary costs when budgeting for studying abroad. *Please be mindful of your exchange rate, and whether prices online are in U.S. dollars (USD) or local currency. Exchange rates can be calculated at <https://www.xe.com/>*
